EXPANDING FRONTIERS OF MEDICINE
WITH
CLASSICAL HOMEOPATHY

On 26th and 27th Jan 2019
at KASSIA Auditorium

#2/106, 17th Cross, Magadi Chord Road, Vijayanagar, Bengaluru,
Karnataka 560040

(Metro station: Sri Balagangadharanatha Swamiji station, Purple Line)

After the resounding success of EventIndia where for the first time in 18 years Prof George Vithoulkas spoke to an Indian homeopathic audience, where Over 1000 homeopathic students and physicians from 10 countries and 14 Indian states gathered under one roof for the sake of learning and disseminating Classical Homeopathic knowledge, We bring you another power packed seminar with focus on the

TRUE SCIENTIFIC NATURE OF CLASSICAL HOMEOPATHY

Prof George Vithoulkas
Awarded the Alternate Nobel Prize for his work in homeopathy

Why is homeopathy gaining ground?

Can I replicate the results shown by masters?

How did conventional medical conferences accept homeopathy??

How to explain the varied response to treatment?

Levels of Health is fine as a concept... how do I appreciate it in cases???

How can we say homeopathy is not placebo???

Does homeopathy have scientific answers to challenges in medical research today?

What is the future of medicine and is there a place for homeopathy? ?

What approach to adapt in a given case?

Find answers to these questions and much more at the seminar

How to handle seriously ill patients?

Welcome to EventIndia 2 - a more intimate and more intense seminar where prof George Vithoukas will connect through Skype for 90 minutes on both the days to talk to you.

Teachers of International Academy of Classical Homeopathy will present teachings of Prof Vithoukas through their cases and research studies so you may add that edge to your practice.

Come be a part of the global community of Classical homeopaths and see what it is like to bask in the glory of the Master's teachings
